

## Contents

R. Dobosz, G. Winiszewska, T. Malewski, K. Rybarczyk-Mydlowska, A. Tereba, K. Kowalewska, M. Gawlak, W. Bogdanowicz. Morphological and molecular features of <i>Punctodera stonei</i> Brzeski, 1998 (Nematoda: Heteroderidae) – species associated with roots of grasses	157
S. Álvarez-Ortega, R. Pea-Santiago. Characterization of European populations of <i>Aporcella vitrinus</i> (Thorne Et Swanger, 1936) with SEM observations and first report of its male (Nematoda: Dorylaimida: Aporcelaimidae)	163
D. Liu, and D. Wu. New species of oribatid mites of the families Parakalummidae and Galumnidae (Acari: Oribatida) from Xiao Hinggan Mountains, northeastern China	171
S. G. Ermilov, A. E. Anichkin. Collection of oribatid mites (Acari: Oribatida) from Dong Nai Biosphere Reserve of southern Vietnam, with description of three new species	177
A. Stroiński, M. Felska, J. Małol. A review of host-parasite associations between terrestrial Parasitengona (Actinotrichida: Prostigmata) and bugs (Hemiptera)	195
X. Sun, D. Wu. Three new species of <i>Thalassaphorura</i> Bagnall, 1949 (Collembola: Onychiuridae) from Northwest China	223
S. A. Belokobylskij, P. Tang, X. Chen. Chinese species of the genus <i>Neurocrassus</i> Šnoflak, 1945 (Hymenoptera: Braconidae: Doryctinae), with a key to Asian species	235
A. Stroiński, D. Świerczewski. <i>Peyrierasus</i> gen. nov. – a new genus of Flatidae (Hemiptera: Fulgoromorpha) from southeastern Madagascar	251
G. R. Spinelli, M. M. Ronderos, G. Omad, P. Pessacq, P. I. Marino. A new species of <i>Bezzia</i> Kieffer from Argentinean Patagonia (Diptera: Ceratopogonidae)	263
Z. Jin, H. E. Escalona, A. Ślipiński, H. Pang. Phylogeny and classification of Rhipicerinae (Coleoptera: Rhipiceridae) with a review of the Australian taxa	275
W.-J. Li, X.-S. Chen, S.-X. Ren. Review of the subgenus <i>Allostethorus</i> of <i>Stethorus</i> (Coleoptera: Coccinellidae) from China	319
Z.-W. Yin, S. Nomura, L.-Z. Li. New species and new records of the <i>Pselaphodes</i> complex of genera (Staphylinidae: Pselaphinae: Tyrini) from China	343
L.-X. Chang, G.-D. Ren. Four new species of <i>Indalmus</i> Gerstaecker, 1858 (Coleoptera, Endomychidae) from China	357
J. Bezděk, Ī. Šen, A. Gök. <i>Calomicrus velai</i> sp. nov. from Iran and redescription of <i>C. koenigi</i> (Jacobson, 1897) (Chrysomelidae, Galerucinae, Luperini)	365
F. Soldati, A. François. Rediscovery, redescription and neotype designation of <i>Alphasida (Glabrasida) nitida</i> (Bedel, 1918) (Coleoptera: Tenebrionidae)	371
W. Schawaller, K. Masumoto, O. Merkl. <i>Lepidocaulinus</i> gen. nov. <i>mirabilis</i> sp. nov. from Thailand (Coleoptera: Tenebrionidae: Stenochiinae)	377
M. Raś, M. J. Kamiński. X-ray microtomography as a tool for taxonomic investigations: prothoracic skeletal structure in some Tenebrionidae (Coleoptera)	381
